To

The President,

City Municipal Council,

Mysore

Respected Sir,

We, the undersigned Hair Dressers of the City of Mysore belonging to Nayanaja Kshatriya Caste, most humbly beg to represent our grievances for your honour's sympathetic consideration and favourable orders

That with reference to the notice dated 3rd January 1935 of the Mysore City Municipality, published in the issue of the Mysore Gazette dated 10-1-35, regarding improvements of Hair dressing saloons in the City of Mysore, we represented our grievances to the President, City Municipal Council, Mysore on 6-2-35 and 11-2-1935 and submitted a petition to the Chief Secretary to Government on 5-10-1935 and had prayed for the cancellation of the Municipal License fee, but no endorsement has been granted.

With reference to the Government notification No L 1959-ML 47-34-37, dated Bangalore, 9-12th September 1935 publishing the Draft Rules in connection with the levy of Municipal License fee, we beg to represent our grievances as follows:-

As the civilization is increasing day by day, the people are advancing in every respect and are finding way to minimise their expenditure. Almost every one from a personage of low class to High class in Mysore is in the habit of taking self-shave. Now-a-days for a small sum of 2½ annas full shaving set ie (macaine with number of blades) is available As such, the people from low class

to the rank of an Officer hesitate to pay a few annas to barber and make the best use of the instrument by taking self-shave Thus the barbers' profession is very much hindered

Cent percent of our community people are very poor having no means for their living except their profession which fetches a few annas daily which is quite inadequate for the maintenance Such being the case, just to suit the environments of present day circumstances, and to be in the upto date fashion, we have to equip ourselves with all necessaries and furniture with a huge investment but not with proper return even to meet the shop rent. For the above reasons, the shop-keepers find it very difficult to earn the small sum to meet the rent charges etc On account of the inability to pay the rent, majority of the shop owners have lost their shops and equipments, as the Municipal shops have been sealed for arrears of shop rent and things have been auctioned by the Municipality, which fact is very well-known If there were to be a good and substantial earning nothing of this sort would have happened This is purely due to the poverty stricken condition, uneducation, and most depressed class

As represented above, we have to earn in our profession in the absence of any other resource and meet all the above expenses It has been a difficult problem to solve now-a-days and we are living hand to mouth on account of dull in our profession Such being the case, if we are insisted upon to obtain a Municipal license by paying the fees, it would be a very irksome charge on our slender resources

Under the above painful circumstances, we most

humbly pray that your honour will be pleased to give a patient hearing to our grievances and consider our poor case and pass orders for the abolition of Municipal License fee on our shops and kindly grant us free license for which act of kindness we shall feel highly grateful and pray for your honour's long life and continued prosperity An endorsement for the favourable disposal of this may kindly be granted to the below address
